

**GENERAL SALES TERMS & CONDITIONS – CYTEC INDUSTRIES INC. AND ITS US SUBSIDIARIES (“SELLER”)**

**1. APPLICATION.** THESE GENERAL SALES TERMS AND CONDITIONS APPLY TO ALL SALE AGREEMENTS, ORDERS, ACKNOWLEDGEMENTS OR CONFIRMATIONS WHICH REFERENCE THESE TERMS AND ALL OTHER SALES MADE BY CYTEC INDUSTRIES INC. UNLESS OTHERWISE AGREED UPON IN WRITING SIGNED BY AN AUTHORIZED REPRESENTATIVE OF CYTEC INDUSTRIES INC. and are referenced below as the “Terms”. Each contract document, order, order acknowledgment or confirmation that references or incorporates these Terms, together with any schedules, exhibits or other documents incorporated by reference in such documents, is referenced below collectively as the “Contract”. The term “Material(s)” used below refers to the products or materials sold by SELLER and identified in the Contract. The Contract constitutes the complete and exclusive statement of the terms of the contract between the parties regarding the sale and purchase of the Material(s). No additional terms or any rescission, waiver, alteration or modification of the Contract shall be valid unless it is made in a writing signed by an authorized representative of each party and specifically references the Contract. None of BUYER’s inconsistent and/or additional terms and conditions submitted in acknowledging or accepting this Contract or in issuing purchase orders, releases, shipping instructions or other documents shall apply. Unless expressly provided in a Contract document signed by both parties, if any term, condition or other provision contained in any schedule, exhibit or other document expressly incorporated by reference into the Contract is in any way inconsistent with or creates any ambiguity concerning these Terms, these Terms shall control.

BUYER’s acceptance or use of any shipment of Material after SELLER’s offer of sale referencing or incorporating these Terms but before the Contract is signed by either party or before BUYER otherwise makes a definite and timely act or expression of acceptance, shall constitute acceptance of the terms of the Contract as to that shipment only but shall not in itself constitute an acceptance of the final written expression of the Contract with respect to future shipments.

**2. REVISION OF PRICE.** SELLER reserves the right to revise the price, point of delivery/shipment and payment terms hereunder upon written notice to BUYER. The price applicable to any order accepted under the Contract shall be the price in effect on the date of shipment. If SELLER is prevented from revising any price hereunder by any law, governmental decree, order or regulation, or if any price at any time in effect hereunder is nullified or reduced by reason of any law, governmental decree, order or regulation, SELLER shall have the right to terminate the Contract by giving written notice of termination to BUYER.

**3. WEIGHTS; SHIPMENTS.** For Aerospace and Industrial Materials segment sales, SELLER’S shipment of quantity ordered plus or minus 10% shall be deemed compliant with the order and BUYER shall be obliged to pay for the actual quantity shipped. SELLER shall not be

obliged to deliver, in any month, any quantity of Materials in excess of 10% of the BUYER’s forecasted annual volume for the Materials made known to SELLER or, in the absence of a forecasted annual volume, ten percent (10%) of the historical purchase volume of the BUYER over the preceding twelve months subject to the availability of such Materials and SELLER’s right to allocate available Materials for its internal use and its other customers. SELLER’s weights taken at shipping point shall govern. SELLER reserves the right to route shipments. All shipment and delivery dates are estimated dates only.

**4. PAYMENT; CREDIT STATUS.** Unless agreed in writing by SELLER, payment in full without deduction or set off is due thirty (30) days from invoice date. SELLER may alter or revoke credit terms at any time without notice. Any amount not paid when due will be subject to a late payment fee computed daily at a rate equal to one and one-half percent (1.5%) per month or the highest rate permissible under applicable usury law.

If any lot or parcel shall not be accepted and/or paid for in accordance herewith, or any stated periodic minimum quantity shall not be ordered out, then SELLER may without prejudice to other lawful remedy, defer shipments until settlement is made, terminate this contract or treat such failure as substantially impairing the value of the whole contract and hence as a breach hereof. If in the opinion of SELLER the financial responsibility of BUYER shall at any time become impaired, SELLER may decline to make further shipments except on advance receipt of cash or satisfactory security.

**5. WAIVER.** Failure of SELLER to exercise any right under this contract shall not be deemed a waiver thereof.

**6. TAXES.** BUYER shall reimburse SELLER for all taxes, excises or other charges which SELLER may be required to pay to any government (national, state or local) upon, or measured by, the production, sale, transportation, delivery or use of the Materials sold hereunder.

**7. PATENTS.** SELLER reserves the right to discontinue deliveries hereunder of any Material if, in the opinion of SELLER, its manufacture, sale and/or use would infringe any patent now or hereafter issued and under which SELLER is not licensed.

**8. SAFETY; HEALTH.** SELLER will provide BUYER with and/or access to Material Safety Data Sheets (“MSDS”) for the Materials sold hereunder which will provide warnings and safety and health information about such Materials. BUYER agrees to provide such warnings and information to all persons whom BUYER can reasonably foresee may be exposed to hazards of such Materials. BUYER will familiarize itself with all information and precautions, including but not limited to such related to safety and health, contained in the MSDS or otherwise transmitted to BUYER by SELLER at any time. BUYER will instruct its employees, agents, contractors, customers or any third party which may be exposed to the Materials about such information and precautions and make copies thereof available to such parties. BUYER assumes full liability and responsibility for compliance with the above-referenced information and precautions, and with all laws,

statutes, ordinances and regulations of any governmental authority applicable to the processing, transportation, delivery unloading, discharge, storage, handling, sale and use of the Materials. BUYER further agrees to protect, defend and hold harmless SELLER from and against all claims, demands, causes of actions, damages, losses, liabilities, costs, expenses (including reasonable attorneys' fees), penalties, and judgments ("Claims") associated with the processing, transportation, delivery, unloading, discharge, storage, handling, sale or use of any Materials after delivery which is (i) inconsistent with any information provided to BUYER by SELLER; or (ii) in violation of any applicable statute, ordinance or regulation of any governmental authority. Unless otherwise specified by SELLER in writing, sales are EXW SELLER's plant (Incoterms 2010).

**9. WARRANTY; LIABILITY.** ANY TECHNICAL ADVICE FURNISHED OR RECOMMENDATION MADE BY SELLER OR ANY REPRESENTATIVE OF SELLER CONCERNING ANY USE OR APPLICATION OF ANY MATERIALS IS BELIEVED TO BE RELIABLE BUT SELLER MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO ITS ACCURACY OR COMPLETENESS OR THE RESULTS TO BE OBTAINED. WITH REGARD TO PROCESSING OF ANY MATERIALS, BUYER ASSUMES FULL RESPONSIBILITY FOR QUALITY CONTROL, TESTING AND DETERMINATION OF SUITABILITY OF MATERIAL FOR ITS INTENDED APPLICATION OR USE.

SELLER warrants that the Material sold hereunder shall conform to the attached specifications, if any, and otherwise to SELLER's standard specifications for such Material and that upon payment of the purchase price, BUYER will receive good title to all such Material free from any lien or encumbrance. NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WHETHER OF MERCHANTABILITY, FITNESS OR AGAINST INFRINGEMENT OR OTHERWISE, IS MADE AS TO THE MATERIAL SOLD OR ANY INSTRUCTIONS OR TECHNICAL ADVICE PROVIDED. On passage of title to BUYER, BUYER assumes all responsibility and liability for, and agrees to defend and indemnify SELLER against, all claims, loss or damage resulting from BUYER's storage, handling or use of the Materials purchased, alone or in combination with other substances, or their containers.

**10. LIMITATION OF CLAIMS.** NO CLAIM BY BUYER OF ANY KIND SHALL BE GREATER IN AMOUNT THAN THE PURCHASE PRICE OF THE MATERIALS IN RESPECT OF WHICH DAMAGES ARE CLAIMED. IN ADDITION, SELLER SHALL HAVE NO LIABILITY WHATSOEVER FOR SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR INJURIES TO PERSONS OR TO PROPERTY, BUSINESS INTERRUPTION AND LOST PROFITS). Failure by BUYER to give SELLER written notice of claim within 30 days from date of delivery or, in the case of non-delivery, from the date fixed for delivery, shall constitute a waiver by BUYER of all claims in respect of such Materials. Any action for breach of this Contract (other than for nonpayment of the purchase price) must be commenced within one year after the cause of action has accrued.

**11. EXCUSES FOR NONPERFORMANCE.** If the manufacture, transportation, delivery or receipt by either party of any Material is prevented, restricted or interfered with by reason of any event or cause whatsoever beyond the reasonable control of the party so affected, such party shall be excused from making or taking deliveries hereunder to the extent of such prevention, restriction or interference. If by reason of any such event or cause, the quantities of the Materials, or of any raw materials used in the production thereof, reasonably available to SELLER shall be less than its total needs for its own use and for sale, SELLER may allocate its available supply of any such Materials or raw materials among its existing or prospective purchasers and/or its own departments and subsidiaries in such manner as SELLER deems proper, without thereby incurring liability for failure to perform this contract. SELLER shall have no obligation to purchase supplies of any Material sold hereunder to enable it to perform its obligations hereunder.

**12. SET OFF.** SELLER has the right but not the obligation to set off any amount owed by SELLER or any of its affiliated companies to BUYER or any of its affiliated companies against any amount due to SELLER in connection herewith.

**13. LAW AND JURISDICTION.** This Contract is to be construed, and the respective rights and duties of BUYER and SELLER are to be determined according to the law of the State of Delaware. The parties agree that any litigation arising out of this contract shall be brought only in the federal or state courts in the state of Delaware and both parties consent to the jurisdiction of such courts.

**14. EXPORT CONTROL.** Any and all obligations of SELLER to provide the Materials, as well as any technical data, shall be subject in all respects to all applicable laws and regulations pertaining to export control. BUYER represents and warrants that it will not export or re-export the Materials or technical data related thereto except in conformity with such laws and regulations. If the material being ordered is for export, upon the request of SELLER, the BUYER must provide SELLER with the name of the ultimate end-user of the material and any intermediate consignees or export agents together with a detailed description of the end-use.

**15. ASSIGNABILITY.** This Contract is not assignable or transferable by either party, except to the party's successor or to the transferee of all or substantially all the party's assets to which this Contract relates. SELLER and BUYER may also assign any of their respective rights and obligations hereunder to any of their affiliated entities. No assignment hereunder shall relieve any party of its obligations under this Contract.

**16. MATERIALS PRODUCED IN OR SHIPPED TO EUROPE.** In the event that REACH Regulation No 1907/2006 of the European Parliament and the Council ("REACH") applies and if BUYER makes a new use known to SELLER according to Art. 37.2 of REACH in order to extend the scope of registration of the Material, its chemical elements and/or its compounds as well as each mixture or solution supplied as defined by Art. 3 paragraphs (1) and (2) REACH, BUYER shall be responsible for providing all information and data which

are necessary for the update of the registration and bear any related additional costs.

**17. FAIR LABOR STANDARDS ACT.** SELLER represents that the Materials have been produced in compliance with the requirements of Section 6, 7 and 12 of the Fair Labor Standards Act of 1938, as amended.

**18. RESELLERS, DISTRIBUTORS OR EXPORTERS.**

The Supplemental Terms available at <http://www.cytec.com/terms.htm> or attached hereto shall apply where the BUYER exports, distributes or resells the Materials.
